User Tasks

1. Access the tracking/map feature of the app and identify the nearest goslings to the user's location and read the details about the identified goslings.
2. Access the Find feature of the app and locate the closest gosling siting to the user's hometown where he or she grew up.
3. Access the Report section of the app and report a fictional siting of goslins at the location of the user's workplace, and list a pre-assigned list of quantity, characteristics and photos.
